

# Reception Wow Moments

Please fill in the slips if you have seen your child do or make anything at home relating to the areas below. I have attached a sheet to help you identify what skills/achievements can be mentioned on the slips. The X used below represents your child's name. Please just record what you have seen your child doing in as much detail as possible. **I will be adding this to our website next week so you can print it off whenever you see something magical! We will be using these slips every Wednesday afternoon to celebrate our home learning.**
