

It is important that your grant is used effectively and based on school need. The <u>Education Inspection Framework</u> (Ofsted 2019 p64) makes clear there will be a focus on 'whether leaders and those responsible for governors all understand their respective roles and perform these in a way that enhances the effectiveness of the school'.

Under the <u>Quality of Education criteria</u> (p41) inspectors consider the extent to which schools can articulate their curriculum (INTENT), construct their curriculum (IMPLEMENTATION) and demonstrate the outcomes which result (IMPACT).

To assist schools with common transferable language this template has been developed to utilise the same three headings which should make your plans easily transferable between working documents.

Schools must use the funding to make **additional and sustainable** improvements to the quality of Physical Education, School Sport and Physical Activity (PESSPA) they offer. This means that you should use the Primary PE and sport premium to:

- Develop or add to the PESSPA activities that your school already offer
- Build capacity and capability within the school to ensure that improvements made now will benefit pupils
 joining the school in future years
- The Primary PE and sport premium should not be used to fund capital spend projects; the school's budget should fund these.

Please visit <u>gov.uk</u> for the revised DfE guidance including the 5 key indicators across which schools should demonstrate an improvement. This document will help you to review your provision and to report your spend. DfE encourages schools to use this template as an effective way of meeting the reporting requirements of the Primary PE and sport premium.

We recommend you start by reflecting on the impact of current provision and reviewing the previous spend.

Schools are required to <u>publish details</u> of how they spend this funding, including any under-spend from 2019/2020, as well as on the impact it has on pupils' PE and sport participation and attainment by the end of the summer term or by **31**st **July 2022** at the latest.

We recommend regularly updating the table and publishing it on your website throughout the year. This evidences your ongoing self-evaluation of how you are using the funding to secure maximum, sustainable impact. Final copy must be posted on your website by the end of the academic year and no later than the 31st July 2022. To see an example of how to complete the table please click HERE.

Support for review and reflection - considering the 5 key indicators from DfE, what development needs are a priority for your setting and your pupils now and why? Use the space below to reflect on previous spend and key achievements and areas for development.

Please note: Although there has been considerable disruption in 2021 it is important that you publish details on your website of how you spend the funding this is a legal requirement.

N.B. In this section you should refer to any adjustments you might have made due to Covid-19 and how these will influence further improvement.

Meeting national curriculum requirements for swimming and water safety.	
N.B Complete this section to your best ability. For example you might have practised safe self-rescue techniques on	
dry land which you can transfer to the pool when school swimming restarts.	
Due to exceptional circumstances priority should be given to ensuring that pupils can perform safe self rescue even	
if they do not fully meet the first two requirements of the NC programme of study.	
What percentage of your current Year 6 cohort swim competently, confidently and proficiently over a distance of at least 25 metres?	
N.B. Even though your pupils may swim in another year please report on their attainment on leaving primary school	
at the end of the summer term 2021.	
Please see note above.	
What percentage of your current Year 6 cohort use a range of strokes effectively [for example, front crawl, backstroke	
and breaststroke?	
Please see note above.	
What percentage of your current Year 6 cohort perform safe self-rescue in different water-based situations?	
Schools can choose to use the Primary PE and sport premium to provide additional provision for swimming but this	<mark>Yes/</mark> No
must be for activity over and above the national curriculum requirements. Have you used it in this way?
